Love Me Do

We hope you enjoyed our "Taste of CMCP" event on April 26th. To date our feedback is very positive. Everyone enjoyed entertainers, song circle, silent auction, face painting and the many other activities. Thomas the Juggler entertained both adults and children with antics and a spirited sense of humour. To the delight of the children a very friendly Spiderman toured the event and greeted one and all. Finally the award winning OOZAKAZOO closed off the program with a rousing and energetic round of children's folk rock songs.

For some participants, the international food fair was the highlight of the day. The food tables were filled to

overflowing with many different delicacies including tasty Eastern European pierogi with all the fixings, delectable Portuguese bifanas, saucy Italian meatball sandwiches, traditional French Canadian tourtiere, aromatic Indian biryani and sweet, doughy Philippine ensaymada. While we were enjoying these luscious foods and having fun with our children, we had the added bonus of raising over \$15,000. These funds will go a long way to sustaining our free early learning and family support programs in 2015.
