Play and Learn Family Drop In

Parents/Caregivers and children are welcome to drop in to the program and enjoy our friendly atmosphere. This is a community based program, designed and planned to facilitate family/caregiver support where children and families/caregivers can interact, learn and play together. Families/caregivers have an opportunity to expand their social support networks and strengthen their parenting/care giving skills. Come join us at our drop in!

Reading Circle

The Reading Circle is a program to encourage family literacy in an early learning environment. It introduces pre-reading and early literacy through play, props and other interactive activities. This is an opportunity for children to use different senses to explore with books. Families will explore interesting stories, sharing their feelings and experiences together.

Parent Relief/Occasional Childcare

We offer temporary child care services for a negotiated time. Children are provided with a safe, warm and nurturing environment where they can interact and fully participate in early year's activities.

Our child friendly space encourages running, jumping, crawling, sliding, climbing, tumbling, using riding toys and bicycles, playing games, and interacting with others. Parents/caregivers must remain with their children. Kinder Gym will start up for the Autumn season on Wednesday, October 4. Kinder Gym is held on Wednesdays only.
