Play and Learn Family Drop In

Parents/Caregivers and children are welcome to drop in to the program and enjoy our friendly atmosphere. This is a community based program, designed and planned to facilitate family/caregiver support where children and families/caregivers can interact, learn and play together. Families/caregivers have an opportunity to expand their social support networks and strengthen their parenting/care giving skills. Come join us at our drop in!

Reading Circle

The Reading Circle is a program to encourage family literacy in an early learning environment. It introduces pre-reading and early literacy through play, props and other interactive activities. This is an opportunity for children to use different senses to explore with books. Families will explore interesting stories, sharing their feelings and experiences together.

Parent Information and Referral Services

We offer assistance with referrals, questions and accessing community information and resources over the phone and in person. Pamphlets, books and parenting magazines are available in program and can be signed out of our Resource Lending Library for a 2 week period.

Circle Time

This program introduces pre-reading and early literacy through play, puppetry, props and other interactive activities. Learn new songs and enjoy singing with a diverse group of families in a relaxed environment.

Topics may include: Healthy Sleep Routines, Introducing Solids, choosing childcare, Coping with Stress, Toddler Temperament, and Importance of Play etc. Please let staff know if you have a suggestion for a Mat Chat topic.
